A Message from your Associational Missions Strategist

DBA Family,

Summer is here and a lot is going on around the DBA!

So many churches are having VBS and we want to strongly encourage everyone to support not only their own church's VBS but their sister churches VBS as well. The more your kids are going to VBS, the more of God's Word they can learn. Many of our churches are doing different VBS themes and will share learn different lessons from God's Word. Let's all encourage one another as we work together to build God's Kingdom. June 1st was the deadline for our churches to pick up items we were offering to give away and we will now bless the Servant Mission Thrift Store (a mission of the Summit) with the rest.

We NEED GROUPS OF VOLUNTEERS FROM YOUR CHURCH TO HELP US MOVE!

Three ways we need assistance with this transition are: 1) We need groups to help box up the remaining things in each room. 2) We need Building Teams to go to the new building and help move some walls around (we need people with carpentry skills, electricians, sheet rock workers and plumbers and we always need two or three to clean up behind the construction) and 3) Once we are ready to move into the new building, we will need a team to move the boxes and the furniture from the old building to the new building. I am asking every church to ask their mens and womens mission groups to prayerfully consider helping us with this local mission project. God is moving in the DBA and we are surely blessed!
