A Message from our Associational Missions Strategist

DBA family,

The 180th annual meeting of the DeKalb Baptist Association is now in the books! I want to thank Liberty Baptist Church for hosting us. They did an excellent Job as our hosts. I also want to thank Bro. Steve Sellers for coming and sharing a powerful message on prayer and evangelism. What a timely message for us all!

I have a few announcements that I would like to share with our churches as a reminder.

First, I want to encourage our churches to prayerfully consider taking a love offering for our DBA mission projects. Our mission partner in the New England Southern Baptist Convention is Christian Fellowship Baptist Church in Londonderry, New Hampshire. This is the only English -speaking SBC church in an area of 100,000 people. We are helping this small congregation, who are working in such a dark area, by raising funds to put a new roof on their church. Whatever you give would be greatly appreciated.

I also want to ask all of our pastors and mission leaders to announce to your church that the DBA is planning a summer mission trip to Londonderry, New Hampshire. If you have a member (or members) who would like to go on our first mission trip to this area, please let us know of your interest by calling our office. The date of the mission trip is June 25th - July 2nd, 2022. After the first of the year, we will have an informative meeting at the Associational office. Start now planning to be on mission!

Last but certainly not least, November is the time we set aside to say thanks for all that God has done for us. I want to thank you, the DBA, for giving me the honor of serving as your Associational Missionary. We are blessed as an association to have the sweet spirit of cooperation that we are experiencing. God has been good to us!

In Christ,
Dr. Keith Wrenn
