## A MESSAGE FROM THE ASSOCIATIONAL MISSIONS STRATEGIST:

What a challenging time it is for ministry!

The Corona Virus has caused us all to stop and reevaluate how we are able to do ministry. Worship services have gone to either "drive in" church or "Facebook Live" and many of us have been challenged in how we can use technology in our ministry. I want to thank all of our Pastors for the way you have prepared and cared for your congregations during this time. You have done a great job!

On Easter Sunday night we also had storms that moved through our area and some of our communities were impacted by tornados or flooding. Once again, Pastors and church members embraced the challenges set before you and served your communities well. Again, I say thank you for your service!

### Just a Few Announcements:

Due to the Corona Virus, the Martha Willis Golf Tournament has had to be postponed until further notice. We know many of our association members look forward to contributing to the Scholarship Fund in this way each year and we will inform you as soon as it is rescheduled.

We have developed a website and I would strongly encourage you to view this on a regular basis as I will be sharing helpful articles that I hope will help DeKalb Baptist Association churches. I want to say a word of appreciation to Robert Reed for all the work he has done in the development of our website.

One final recent development, the Alabama Baptist Foundation is now offering online giving for churches at no cost! This service is galled "**Givethree65**". You might want to check this out on the new website!
