From the Director of Missions:

April 19-24 is Associations Missions Week of Prayer. Please pray for our ministries and their leaders – Adel Robayna at Fort Payne Hispanic, Jorge Oliva at Kilpatrick Hispanic, John Prose at Northeast, Ron Reynolds at Howard’s Chapel, Mary Shirey as Ministry Assistant in the office and Ken Allen (me) as the Director. Pray for the Association to continue to look for the best strategy to be relevant to the local church. Let’s all pray together for a fresh encounter with our living Lord Jesus – for without Him we can do nothing. May we also pray that in ever increasing measure we will seek to make disciples the way that Jesus made disciples and His disciples made disciples.

Listen to this: Only 10% of child sex abusers will ever be convicted. Avg. male begins abusing at age 13/14 and the avg. age of conviction is in the 30-35 age range. It is absolutely critical to know and understand the sexual predators grooming process. I’m available anytime to help your church recognize the process. Know this, there is NO WAY to outwardly recognize a person like this from their appearance, social or financial status. Our children are precious and worth protecting.

Please note the Association wide Revival emphasis at Nehemiah training center in Mentone. Some details are located in the lower left corner of the newsletter. Also notice the Martha Willis Golf Tournament for Missions in the same lower left corner.
