

DeKalb Baptist Association

Happy New Year!

A Message from our Associational Missions Strategist

Dear DBA Family,

God is up to something great here in the DBA. I want you to know of some of the opportunities coming our way. If you are in high school or college and you love missions, then mark this down. The DBA will have a mission opportunity for 3 High School or College students to serve as our first summer missionaries. They will be available to serve in any of our DBA churches helping in any area of VBS. They will serve for 6 weeks and their availability will be on a first come, first serve basis. If you know of a high school student or college student who is spiritually mature and would like an opportunity to serve as a summer missionary, please encourage them to contact the DBA office for an application.

The Dekalb Baptist Association VBS team is planning a training opportunity for all of our DBA churches. The event will be in April and we are hoping to do an in-person training. If not, it will be a virtual training. Please stay connected to our DBA Facebook page for the latest details to this training event. We know that some of our churches will do last year's lifeway material called "Concrete & Cranes" and others will do this year's Lifeway material, entitled "Destination Dig". We are planning on adding an overview of last year's material to our training event for those who are using that material.

Finally, I want to say "thank you" to all of our churches for the way you are social distancing, wearing a mask, and providing hand sanitizer in order to protect your congregation. Covid is something we need to continue to take very seriously. I encourage you to continue to follow all of these safety guidelines as we move through this year. Thanks again for your leadership.

Christ Is Lord,
Dr. Keith Wrenn
AMS Dekalb Baptist Association
