A Message from our Associational Missions Strategist

DBA Family,

God is continuing to move in Dekalb county and I would like to share some upcoming opportunities. With summer fast approaching, churches across the state are planning to have Vacation Bible School. This year we have some college students who are serving as summer missionaries with the association who will be available to help our DBA churches with VBS. There are still some dates that are available for them to come and serve at your church so if they are needed call the DBA office!

We are also offering the playground equipment that is behind the DBA office FREE to any of our churches on a first come first serve basis. Hopefully, this will be a blessing to our churches as they minister to small children. Please call the office to see what is still available and schedule pick up of the equipment you would like to have for your children's ministry.

I would love to plan a mission trip to New Hampshire for late July. For this to happen, I need to know of your interest in going to Londonderry, New Hampshire to serve alongside with Christian Fellowship Baptist Church. They have needs that range from roof work, interior painting, prayer walking, to possibly having a block party/revival. This church is the only English speaking SBC church in an area of approximately 100,000 people.

The need is great! I need to hear from you quickly if this is even possible for this summer.

**To God be the Glory,
Dr. Keith Wrenn
